

Global Manufacturing Strut Accessories - Connector 4 Holes

Features

Our Global Manufacturing Cross Plate is designed to offer a single plated row of connections on the top of two intersecting channel bars, at a 90 Degree angle. They are made with 12-Gauge metal for strength/reinforcement and are electro-galvanized for added durability. This particular connector is offered at 5-3/8" x 3-1/2"; featuring 4 holes for support.
