

Global Manufacturing Support Devices - Straight Box Mounting Bracket

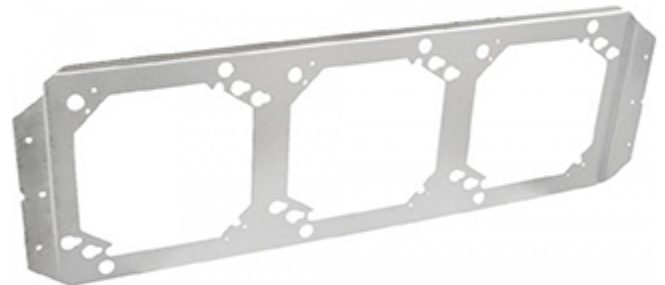

Features

Our Global Manufacturing Straight Box Mounting Bracket is used to attach electrical outlet boxes to wood or metal studs. Support legs on the bracket minimize the movement of the attached electrical box on the wall. This bracket accommodates up to three 4" or 4-11/16" boxes.

Sizing and Features

Product	Product Description	Qty.
GRB16	Box Mounting Bracket	50

- Compatible with 4", 4-11/16" and 5" square boxes
- Mounting Holes allow for the mounting of 4" rings for low voltage applications
- Accommodates up to 3 boxes and/or rings
- Supports boxes and low voltage devices on one rigid bracket
- Low profile design limits drywall bulging
